

ST HILDA'S C.E. HIGH SCHOOL: HOME-SCHOOL AGREEMENT

For your child to achieve success at school it is important that parents/carers, students and the school are able to work together. All must be committed to this partnership although each plays a different role. We think that it is helpful to make this commitment explicit. Difficulties in keeping to this agreement may be discussed at any parents' evening or by appointment. We would hope that any problems perceived by any party would be resolved as a result of such discussion.

** Parents have a duty under the law to ensure that children receive efficient full-time education. This means regular attendance. If a student fails to attend this oversubscribed school over a lengthy period of time, there are circumstances when their name could be deleted from the school role. The school does have a detailed attendance/absence policy which can be consulted on request.*
