

## St Hilda's CE High School

### APPEARANCE AND UNIFORM 2017

St. Hilda's expects high standards of its students and uniform and appearance are no exception. This uniform policy has been written so that all students may be confident in their smart appearance and represent the school with pride. School uniform promotes equality between students and ensures that students are appropriately dressed for all activities including PE.

Parents are expected to support this school uniform policy as part of the agreement between parents and school. When school and parents work in partnership, we create a pleasant environment for the children. We ask parents to ensure their daughter/son wears her/his uniform correctly and that it is clean.

The approved school uniform suppliers are:
