

Dear Parent/Guardian,

First of all, let us welcome you and your child to our St.Hilda's family. St. Hilda's is not just another school, it is a community where you child will learn and develop their life skills whilst forming relationships within a positive and encouraging environment where Christian ethos, values and people matter.

We are "Friends of St. Hilda's" (F.O.S.H. for short); a group of enthusiastic parents, grandparents, teachers, ex-pupils and neighbours whose aim is to help St. Hilda's provide first class facilities and resources for the education and wellbeing of its pupils.

This is an open group and we would like to invite any new parents/guardians who share the same enthusiasm to join us.

We aim to organise fun events and activities for pupils, parents/guardians, family members, friends and staff with the purpose to build closer links amongst the segments of our St.Hilda's community and at the same time raise funds to invest back into school: a win-win situation, I hope you agree!

Everyone is welcome to come along in our meetings, share ideas, give us feedback, help us organise our events or just contribute prizes for raffles.

If you would like to hear from us and what we are up to, please complete the form with your details so that we can include you in our mailing list. We will be using social media in the near future.

We are looking forward to speaking to you, soon.

Kind regards,

F.O.S.H.
