Dear Parent/Carer

Year 7 Induction Day: Wednesday 8th July 2020

Under normal circumstances we would be looking forward to meeting your child on our New Year 7 Induction Day on Wednesday 8th July 2020.

The purpose of the day is to formally welcome your child to St. Hilda's and to ease their transition into Year 7 in September. During the day your child would have the opportunity to meet with their form tutor and key staff and generally familiarise themselves more fully with the school.

Due to the current public health issue it is highly unlikely this induction day will be happening in this format. At present we are planning to host the induction day **virtually**. Further details that includes resources and other essential items will be provided over the coming weeks. We are hoping students will still find this to be a pleasant experience for your child and they can still get a sense of the St Hilda's family as they meet the staff and other children.

Parents/Carers' Meeting: Wednesday 8th July 2020 6.30pm (online webinar)

There is normally a parents / carers meeting held in the evening to support parents with issues / worries about transition. We realise worries have multiplied this year. We are therefore still keen to host parents to answer questions related to transition and to sort out any practical problems you may have.

We intend to hold a webinar style event and will be able to address questions that have been sent in advance and those that are sent in during the presentation

The following staff will be participating;

- Mrs Code (Headteacher) and the Senior Leadership Team
- Form tutors
- Pastoral staff

Our SEND department are working hard behind the scenes to look after our students with SEND issues. Miss Pritchard and the team will be in touch with some parents / carers to arrange additional transition meetings / support for some of our students.
