

30 June 2020

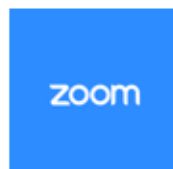

**ST HILDA'S**  
CE HIGH SCHOOL

## Blended Learning Year 10

As we welcome Year 10 back to school for face-to-face lessons in core subjects, we are pleased to be able to complement this offer to students and families further through our enhanced 'remote curriculum' for option subjects. In addition to the home learning activities shared by teachers through Show My Homework, we are offering students access to a range of live Zoom meetings and video lessons created by their teachers through Microsoft Teams.

WISDOM  
HOPE
