If a student forgets their kit they must borrow out of the spare PE stock.

We view the forgetting of kit seriously as it wastes time finding alternative dress for those pupils and can hold up the lesson so valuable teaching and learning time is lost. Students who forget part or all of their PE kit will be given a detention. We request your support in this matter.

ILLNESS

If a pupil is ill or has an injury, a letter must be brought in and given to the PE teacher at the beginning of the lesson. Students are not normally excused for minor illnesses like colds or sore throats. The student may not be excused if they forget their note. If s/he is likely to be out of action for longer than 3 weeks then a doctor's note is required.

Students with asthma must bring their inhaler to every lesson.

Even if a student is excused from the physical side of the lesson, they will still be involved. They will umpire, coach, act as an official or work towards improving her knowledge of analysing movement. **THEY WILL ALWAYS CHANGE INTO THEIR PE KIT FOR THE LESSON.** Only under extreme circumstances will this rule be waived. This practice, highly praised by OFSTED, will continue. It is good training for the pupil and makes them feel a part of the group.

THE FINAL DECISION ABOUT THE SUITABILITY OF ANY ITEM IS AT THE DISCRETION OF THE HEADTEACHER
