Dear parent or carer,

TECHNICAL ISSUE WITH TEAMS

We have been alerted to the fact that there is a technical issue with Teams. Our IT manager is currently working with Microsoft to rectify this. We appreciate you and your son or daughter contacting us quickly!

Can I also highlight that not every lesson when students are self-isolating is a 'live' lesson. There will be a mixture dependant on the best way to approach that lesson. The link to our website that has the support for using Teams is here: <http://www.st-hildas.co.uk/learning-from-home/>

Let me know if you have any questions.

Yours sincerely,

Mrs Jo Code
