🕎 SEN (N:)					
🖵 Pastoral (P:)					

3) This will open the programme and you will be given the pop up box below. Click Run

Open File - Security Warning				
The publisher could not be verified. Are you sure you want to run this software?				
	Name: G:\Colorveil\ColorVeil.exe			
	Publisher: Unknown Publisher			
	Type: Application			
	From: G:\Colorveil\ColorVeil.exe			
	Run Cancel			
✓ Always ask before opening this file				
This file does not have a valid digital signature that verifies its publisher. You should only run software from publishers you trust. How can I decide what software to run?				

4) You will then get another pop up box stating that the programme will be running in the tool bar at the bottom right hand side of the screen (the screen may change colour)

5) The programme running in the bottom right hand corner

6) To access the programme you need to right click on this icon and it will open the following box;

ColorVeil Settings					
Appearance General About	<u>I</u> urn on veil				
Pick a <u>c</u> olor, or type a color code or name: #FF0080 <u>P</u> ick <u>R</u> andom	Quit ColorVeil				
<u>O</u> pacity: 70%					

7) From here you and the pupils can change the colour of the screen to suit yours or their individual needs

Color	×
Basic colors:	
Define Custom Colors >>	Hue: 220 Red: 255 Sat: 240 Green: 0 Color[Solid Lum: 120 Blue: 128
OK Cancel	Add to Custom Colors

8) If you Quit the programme then you will have to go through this process again, it is easier to just click the cross and 'Turn Off Veil' if it is not needed
