Dear Parent/Carer,

You will have received a letter with parent log in details to access the information about all homework set on Show My Homework. It is essential that your son/daughter **does not** use this account to access their homework but instead logs into their own personal student account. This will give them access to additional resources and will allow them to mark tasks as completed.

Below are the steps that your son/daughter will need to follow:

(1) Logon to: www.showmyhomework.co.uk/login (or using the app)

(2) First select 'Sign in with Office 365'

(3) On the next screen enter the school email address:

This is first initial (followed by) surname (and the year they started at Hilda's) @ st-hildas.co.uk

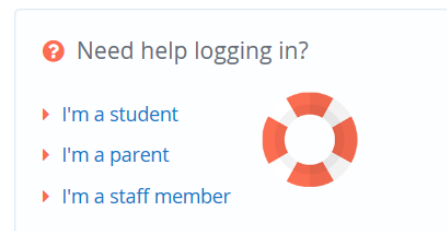

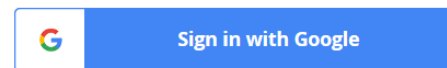

For example, Amanda Stone starting at

St Hilda's in 2019 would be:

astone19@st-hildas.co.uk

(4) Enter your password (this is the password that you use to log on to the school system when in school).

Or sign in below

Yours sincerely

Mrs E Cowdell

Assistant Headteacher
