**Dear parent/carer,**

Please note that students who are self-isolating will not be completing assessments at home. Doing this can put students under a lot of pressure and we are not there to answer any of their questions. They will have notice and time to do their assessment once they return. They should log onto Teams on a daily basis to see the work set. Even when it would have been their assessment, they will have revision work to do.

Really sorry for the inconvenience and we are looking forward to seeing them back with us very soon.

Kind regards,

**Mrs J Code**
