

Year 7 - Higher Level Revision List

The following are the topics that pupils will be tested on in the end of year Maths examination.

Your child will sit the **Higher Level** paper.

All pupils will sit 2 hours of maths exams.

1 hour calculator paper and a 1 hour non-calculator paper.

Pupils are expected to complete revision on these topics as a part of their homework leading up to the exam. Clip numbers and task codes are given below for revision websites.

Your child has personal login details for these websites.
