Date: 6 July 2020

Dear parent/carer,

Blended Learning Year 9

As we welcome Year 10 and 12 back to school for face-to-face lessons. From Monday 6th July we are pleased to be able to offer to students and families of Years 7-9 further support through our enhanced 'remote curriculum'. For the final two weeks of term we would like pupils to focus on revision of this year's learning. To support your son/daughter with this I am attaching a revision booklet.

In addition to the home learning activities shared by teachers through Show My Homework, over the next two weeks, we are offering students access to a range of targeted live Zoom lessons and video lessons designed to support your sons and daughters with this revision.
