Dear parent/carer,

MESSAGE BY MERSEYSIDE POLICE

I have been asked to forward the message below to you all by Merseyside Police. Whilst it hasn't involved any of our students, one of our values is community and we want to support the residents of Woolton Village.

Dear Parent/Guardian

The Police and the local councillors have received numerous complaints of youths causing anti-social behaviour in Woolton Village. The problems have centred around the square itself, neighbouring woods and the park on Quarry Street. Whilst police understand there may be only a few trouble causers, large groups have been congregating in these areas with reports of street drinking, loud music being played and damage being caused. This weekend there will be an exclusion zone in Woolton village which gives the Police the power to disperse groups who may be committing or going to commit anti-social behaviour and so we ask that people respect the members of the community and its property and if anyone has any concerns please call Merseyside Police on 101.

Thank you
