

The school will support your child with their medical needs but to do this we ask that you;

- tell us if your child has a medical condition
- work with us to ensure your child has a complete and up-to-date Healthcare Plan for their child
- inform us about the medication your child requires during school hours
- inform us of any medication your child requires while taking part in educational visits or residential visits, especially when these include overnight stays
- do not leave medication in the school office without prior discussion and consultation with Miss Maguire or Ms Pritchard
- tell us about any changes to your child's medication, what they take, when, and how much
- inform us of any changes to your child's condition
- ensure your child's medication and medical devices are pharmaceutically labelled with their full name and date of birth and a supply a spare provided with the same information
- ensure that your child's medication is within expiry dates
- inform us if your child is feeling unwell
- ensure your child catches up on any school work they have missed
- ensure your child has regular reviews about their condition with their doctor or specialist healthcare professional and information that will require us to support your child is passed on ASAP
- Ensure your child has a written care/self-management plan from their doctor or specialist healthcare professional to help them child manage their condition.

Covid-19 addendum

Any student with symptoms of Covid-19 must NOT attend school and follow government guidelines.

Parents must inform school immediately if this is the case.
