

# Home Learning Contract (Student Rules)

## Our expectations:

- We expect the same high standards of behaviour in remote lessons as we would in school.
- You are expected to attend all remote lessons on time. A register will be taken and parents informed if you do not attend.
- Be in the lobby for your lesson 5 minutes before the set starting time.
- Do not turn on your camera or microphone unless asked to do so.
- Use the raise hand button to ask for help.
- You must not share recorded lessons or images of or made by teachers within or outside of St Hilda's.
- Your teacher may ask you to respond to questions; speak clearly and try to get involved.
- Your posts on screen are saved every lesson. You cannot delete them. Comments you write have your name on them.
- If anyone fails to follow these simple rules and not maintain our high standards there will be severe consequences.
