

## Student Task Sheet. Key Stage 4

**Task 1:** Complete the Personality Profile.

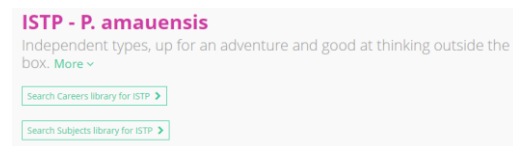

Login to Unifrog and open the Personality Profile tool. You will be asked a series of questions to determine your closest match personality type. Please answer all questions.

**n.b.** If you have previously completed this activity you can either take it again, or use your past results.

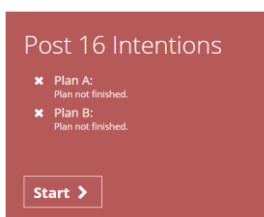

**Task 2:** Favourite one career.

From the results of the Personality Profile, you will see a link to the Careers library where you will be shown careers suited to your personality type. Please explore these career profiles, and when you find one you are interested in, please click the Add To Favourites button at the bottom of the profile.
