## Social Media for Business – Starting 24<sup>th</sup> June

# GET YOUR FOOT IN THE DOOR

## SOCIAL MEDIA FOR BUSINESS

### Seetec Outsource Social Media Academy for Business

We have now developed an innovative and dynamic traineeship programme focusing on Social Media for Business and the core elements of business administration that attract reputable employers. Offering learners training and qualifications around social media for business, the programme will include a regular slot from social media specialist and lifestyle blogger Laura Richardson of Hey Girl Beauty of Business. There will be 4 half-day workshops.

#### Course content includes:

- Principles of business and digital marketing
- Social media platforms & content creation
- Instagram workshop designed for your online business.
- Principles of working in a business environment.
- Creating a marketing calendar / Working with Hashtags #
- Video creation & backgrounds / Repurposing content to a wider audience
- Meeting and welcoming visitors in a business environment
- Working with others in a business environment / Managing time and workload

#### When does the course start?

Start date – Thursday 24<sup>th</sup> June 2021.  
Information days in Liverpool city Centre.

#### Where is the Academy based?

Will be fully online, placement sourced locally with a guaranteed interview.

#### What qualification will I get?

Level 1 Certificate and quality work experience with a reputable employer

#### Eligibility

16+ years not currently employed or in education. In receipt of benefits/low wage. Work placements arranged for 16–24-year-olds.

#### How long is the Traineeship?

6-8 weeks Monday – Friday full time 9.30am-5.00pm

# FAQ's

## Do you cover travel costs?

Yes, during the programme travel expenses will be reimbursed. (Also meal allowance while on placement)

## Do I have to pay to attend the programme?

There is no cost to the programme. It is fully funded.

Today's Goals:  
Look at our traineeship as an option to progress your future career aims!

 Seetec, Graeme House, Derby Square, Liverpool, L2 9QR

## Traineeship with the Engineering College

# TRAINEESHIP

GENERAL PATHWAY

COURSE DURATION - 6 MONTH

ENGINEERING COLLEGE 

THEENGINEERINGCOLLEGE.CO.UK

0151 666 1028

This programme is designed to give young people an introduction to engineering, developing their experience and confidence in an engineering environment and offering them a multi-disciplined course where they will study fundamentals of engineering in the following areas:

FOUNDATION MACHINING

FOUNDATION MAINTENANCE

FOUNDATION ELECTRICAL

FOUNDATION PIPEFITTING

FOUNDATION WELDING PRINCIPLES

EMPLOYABILITY SKILLS

An important part of the programme focuses on employability skills. Students will work with our learner support team to develop a strong CV and cover letter, prepare for interviews and gain confidence in careers.

### PROGRESSION

If during your programme you successfully gain an apprenticeship, your course will convert to an apprenticeship. Often, employers will prefer candidates who have previously completed pre-apprenticeship training and have experience

### FUNCTIONAL SKILLS

If you do not have Level 2 qualifications in Maths and English or GCSEs at this level, you may also be enrolled onto a Functional Skills module to complete these as part of your programme

### WORK PLACEMENT

You will complete a two week placement with an employer closely aligned to your preferred trade.

This is your opportunity to gain real experience within a workshop environment, and impress the employer

## New Futures Programme

# New Futures

The New Futures programme is led by Youth Fed in partnership with VOLA, a consortium of voluntary community enterprise. The programme offers support to people who are aged 15 – 24 and not in education, employment, or training (NEET).

Participants will be given comprehensive information, advice and guidance assessment and a personalised action plan.

You will have a Key Worker who will offer 1:1 mentoring and support. This support will continue after progression to employment, further education, an apprenticeship, or a traineeship.

We offer a bespoke programme to support young people who are at risk of becoming NEET. We have successfully signposted many young people into: Employment, education, and training.

We can offer support for the following:

- Mental Health Awareness
- Coping with Anxiety and handling emotions
- Confidence Building
- CV writing and completing application forms effectively
- Interview Skills
- Cyber Safety
- Mock Interviews
- Money management skills

Reviews will take place regularly to ensure personal targets are met and progression routes are achieved.

For more information please contact:

## Scottish Power – Pre-Apprenticeship Programme

## Scottish Power Engineering Pre-Apprenticeship Programme

This electrical engineering course will provide you with the skills and knowledge required to join Scottish Power as an Apprentice on their Apprenticeship Programme. The course is based in both the workshop and classroom ensuring you get a combination of practical and technical skills providing an introduction to the knowledge and skills needed for either an apprenticeship or higher-level studies in Electrical Engineering. You will receive a Safety Passport and gain Emergency First Aid qualifications as part of your programme.

As part of the course you will attend training sessions with Scottish Power at their training centre and at the end of the course may be offered a place on their apprentice programme.

You will receive a monthly allowance of £200 as a contribution towards travel and any course expenses.

If you are highly motivated and have a willingness to learn with a positive attitude, this course could be ideal for you.

For further information, please contact the Apprenticeship Team on **01244 656455** or email: [\\_apprenticeships@ccsw.ac.uk](mailto:_apprenticeships@ccsw.ac.uk).
