

Stephanie McDonald

31st January 2022

Dear Steph,

On behalf of all at KIND I would like to take this opportunity to thank you and all the pupils and staff of St. Hilda's for the kind donation of £330 towards our 2021 Christmas Appeal. Your continuing support is both very much appreciated and needed in order to help us make a real difference at this special time of the year. We packed and distributed 1500 family sized Christmas food hampers and hundreds of toy and clothing packs across our community thanks to your support.

Between us we brought light, happiness and joy into many, many lives', where otherwise it would be a very bleak and unhappy time. As a small charity we rely 100% upon the kindness and generosity of our friends such as you. With that support we can continue making a real difference in thousands of young lives at Christmas.

I hope that you and all at St. Hilda's had an amazing Christmas - just like the one you helped us to give to so many of our families. Here is hoping that 2022 will be a wonderful year, fingers firmly crossed.

With all best wishes,

Stephen Yip
