Dress Code and Uniform

Buying a school uniform can be expensive and for this reason our uniform has been carefully chosen and priced so that whilst it is distinctive from those of other schools, it is also easily obtainable and keenly priced.

We believe our uniform creates our school identity and establishes a sense of pride amongst the students. It is expected that all students will come to the school every day in full, neat, clean uniform, giving the message that our students are proud to be part of our school community.

This will continue to be the case until the student leaves the school and will also apply to the public examination period for all students. Year 11 students will attend all examinations and revision sessions in full uniform until their last examination.

The support of parents in upholding our high standards and expectations of uniform and appearance is important. Staff are required to ensure these standards are maintained at all times and will challenge students who do not uphold our standards.

We believe that a school uniform sends a strong message about standards and self-worth. Admission to our school implies acceptance of the uniform code and students who are not correctly dressed may be sent home to change or be isolated from other students by a senior member of staff. Repeated disregard for school rules could result in further sanctions.

We believe that wearing a uniform does not discriminate and ensures all students have equal opportunities and shared expectations, regardless of background.

Personal appearance

Hair

Hair must be worn in an appropriate conventional style. Hair styles must be such that they can easily be kept neat and do not prevent students from participating effectively and safely in all school activities. Hair accessories such as ribbons, hair bands and bobbles should be plain, of simple design and coloured purple, black or white.

Heads must not be fully shaved and should be no shorter than a grade 2 nor should there be any style which the school believes would undermine the ethos or discipline of the school.

The dyeing of hair in natural colours is acceptable – other colours are not permitted. Students will be required to re-dye their hair in the event of failing to adhere to this rule. Eyebrows should also look natural.

Shirt, skirt and trouser styles

Shirts must be plain white with a collar (casual shirts are not permitted) and should be worn appropriately, i.e. shirts must be tucked in, collars buttoned to the top and ties clipped on. Trousers should be tailored only and should be worn with a belt where necessary and should not hang below the waist.

Skirts should be knee length and not deemed too short. We will ask a student to change a skirt if we feel it is an inappropriate length for school. No jeans, fashion trousers or leggings are allowed.

Outdoor coats

Must be removed on entering the building and should be worn on the journey to and from school only or in the playground. Students should not wear hoodies, cardigans and non- uniform jumpers under their blazers. We will request that these items are removed until the end of the school day.

Make up and nail varnish

Coloured nail varnish, acrylic nails, false eyelashes and make- up should not be worn. If wearing make-up, students will be asked to remove it. Students will also be asked to remove nail varnish immediately.

Jewellery

One small, plain silver or gold stud earring may be worn in each ear lobe. No other jewellery or piercings of any kind are to be worn, except for a watch.

Watches must be removed before P.E lessons, including smart watches. Students who persist in wearing jewellery will have these items confiscated for a week. Staff confiscating jewellery will place it in a labelled envelope and which will be taken to the House Office to be locked away. The school takes no responsibility for jewellery which is brought into school, and is subsequently lost or stolen. However, once confiscated, the school and its staff are responsible for ensuring its security.

Parental support

Parental support is crucial in upholding our high standard of uniform and appearance at our school.

Parents are asked to note that we do not accept responsibility for loss of, or damage to, personal property on, or left on, the premises. The school retains the right to act as the final authority in the interpretation of the dress code and any student who fails to adhere to our uniform guidelines will risk being isolated as per our Behaviour Policy. If unsure, parents and students are advised to contact school for clarification before purchasing an item.

Students forgetting kit

If a student forgets their kit they must borrow out of the spare PE stock.

We view the forgetting of kit seriously as it wastes time finding alternative dress for those pupils and can hold up the lesson so valuable teaching and learning time is lost. Students who forget part or all of their PE kit will be given a detention. We request your support in this matter.

Illness

If a pupil is ill or has an injury, a letter must be brought in and given to the PE teacher at the beginning of the lesson. Students are not normally excused for minor illnesses like colds or sore throats. The student may not be excused if they forget their note. If s/he is likely to be out of action for longer than 3 weeks then a doctor's note is required.

Students with asthma must bring their inhaler to every lesson.

Even if a student is excused from the physical side of the lesson, they will still be involved. They will umpire, coach, act as an official or work towards improving her knowledge of analysing movement. **THEY WILL ALWAYS CHANGE INTO THEIR PE KIT FOR THE LESSON.** Only under extreme circumstances will this rule be waived. This practice, highly praised by OFSTED, will continue. It is good training for the pupil and makes them feel a part of the group.
