Dear Parent/Carer

## Guided Options for Year 9 2025

In the forthcoming weeks, Year 9 students will be choosing their options. To help prepare them, they will have a guidance assembly in school on Thursday 6<sup>th</sup> March where they will receive information about how the options process works, help on how to choose the subjects they wish to study and a timetable of events we have organised to support them.

I would also like to invite you to a guidance meeting on Thursday 6<sup>th</sup> March at 4.30pm which will take place here in school.

The format of the evening is as follows:

4:30- 5:00	Talk 1 by Mrs Code and Mr Bellmon
5:05-5:25	Subject 1 presentation
5:30-5:50	Subject 2 presentation
5:55-6:15	Subject 3 presentation
6:20-6:40	Subject 4 presentation
6:45-7.15	Talk 2 by Mrs Code and Mr Bellmon

In order to manage numbers and ensure safety, you will need to book the event using the link below or by clicking on the QR code

<https://forms.office.com/e/EEENcV9Gay>

1. The first thing you will need to do is to book General Admission Tickets for the number in your group who are attending (including your child).
2. You should then book one of the two Headteacher talks. You do not need to book both, they are both the same.
3. Finally, you need to select four separate presentations your child would like to visit, one for each time slot. Do not book all 4 subjects for the same session.
4. The same presentation will be given by each subject in each of the four slots so it doesn't matter which slot you book for that subject.
5. Remember to choose one talk to attend and one subject for each of the presentations, four subjects in total.

After the evening, there will also be additional advice and guidance on our website including subject presentations, an options guidance booklet and a form to confirm options choices.

Your child will also be experiencing a taster day where they can attend a taster lesson for four subjects of their choice and have a session on UCAS, employment and apprenticeships. Following on from this, they will make their option choices. A guidance meeting is then arranged for every student with a member of the Senior Leadership Team. Further details of this will be given on the evening.
