Getting ready for A-level German

We are delighted to welcome you to the A-Level German course. This is a natural progression from GCSE to A-Level, and many of the topics build on your GCSE knowledge.

Language skills need to be practised – use it or lose it! It is essential that over the summer you don't forget everything you have learnt!

In order to be fully prepared for September, please work through the tasks in this booklet. Some of the tasks are designed to revise GCSE topics, which will form the basis of A-Level topics. There are also grammar tasks and some activities to help you to develop your cultural awareness.

TIPS!

Don't leave it to the last minute!

Please keep all your GCSE notes and exercise books.
